

Premier Healthcare Services *“Advanced Practice Nursing Services”*

Job Description

Premier Health Care Services is a private healthcare company in Alberta that employs Nurse Practitioners and RNS with NSWOC Designation.

We are seeking an NSWOC interested in casual hours of approximately 4 to 8 hours per week in the Calgary area. The successful candidate will set their own schedule based on client referrals. Our NSWOCs provide complex wound care assessments and treatment plans.

Duties include but are not limited to:

- Travelling to urban areas within Calgary and surrounding areas and, on occasion, Southern Alberta, based on referral location.
- Assessing complex wounds and skin conditions for clients who have physical disabilities including spinal cord injuries.
- Performing conservative sharps debridement.
- Recommending appropriate resources and wound care products based on best practice for the management of specific wounds including negative pressure wound therapy.
- Consulting with nurse practitioners, physicians and allied health care professionals regarding wound and skin care recommendations.
- Consulting with home health care agencies regarding care plans and wound/skin care education.
- Accurate and timely completion of written documents including the BWAT, Braden, wound assessments and other required documents and reports.
- Ability to demonstrate excellent written and verbal communication skills.

Minimum Qualifications:

- Current registration with CARNA.
- Bachelor's Degree from accredited School of Nursing.
- Completion of Accredited Wound, Ostomy, Continence Nursing Education Program.
- Possess a current driver's license in good standing and reliable transportation.
- Current Heart saver CPR certification.
- 2 years current wound care experience.

If you are interested in this position, please submit your resume to faye.mcrae@premierhealthcareservices.ca or fax to 780 490-7958.
